Standard I.A. - A sponsoring institution must be at least one of the following [Select One]

A post-secondary academic institution accredited by an institutional accrediting agency that is recognized by the U.S. Department of Education, and authorized under applicable law or other acceptable authority to provide a post-secondary program, which awards a minimum of a certificate/diploma at the completion of the program.

A foreign post-secondary academic institution acceptable to CAAHEP, which is authorized under applicable law or other acceptable authority to provide a postsecondary program, which awards a minimum of a certificate/diploma at the completion of the academic program.

A hospital or medical center that is institutionally accredited, and authorized under applicable law or other acceptable authority to provide healthcare, which awards a minimum of a certificate/diploma at the completion of the academic program.

A branch of the United States Armed Forces, which awards a minimum of a certificate/diploma at the completion of the program.

Standard I.B. - Consortium Sponsor

Check if applicable

A consortium sponsor is an entity consisting of two or more members that exists for the purpose of operating an educational program. In such instances, at least one of the members of the consortium must meet the requirements of a sponsoring educational institution as described in Standard I.A.

The responsibilities of each member of the consortium must be clearly documented as a formal affiliation agreement or memorandum of understanding, which includes governance and lines of authority.

Standard I.C. - Responsibilities of the Sponsor

The sponsor must assure that the provisions of these Standards and Guidelines are met.

Attestation of Standard I.A./I.B./I.C. - Sponsoring Educational Institution

Sponsoring institution assumes the responsibility to assure that the surgical technology program is in compliance with the Standards.
